Workbook Activity

Trials & Temptations (Part 2)

Write down two or three temptations you are struggling with.

1. _____

2. _____

3. _____

The Source of Temptation

Temptation does not come from God, but rather your own evil desires.
Do not dwell on the evil desire while ignoring the danger that it poses.
You become your own worse enemy when you start to justify your sin.
When you are disobedient and act on the evil desire it becomes sin.

Combating Temptation

Once you determine that your temptation comes from your own evil desires it will be easier to overcome those temptations.

Pray and be ready (Matthew 26:41)
Guard our heart (Proverbs 4:23, Phil 4:8-9)
Hide God's word in your heart (Psalm 119:9-11, Romans 1:2, James 4:7)

If all else fails, run! (2 Tim 2:22) You will not run if you haven't done the first three points above.

Remember God is faithful and will provide a way out. (1 Cor 10:13) God doesn't want us to fail.
