

# Spiritual Disciplines – Lesson 2 Workbook

## Service

**Galatians 5:13, Matthew 20:28 & 1 Peter 4:10**

1. What do these passages have to say about service?

---

---

2. What does the Matthew passage say is the main way Jesus served us?

---

---

3. How might that resemble the way we should serve? Should it be partial or temporary

---

---

### Three things about service you need to know

- It's how people know God's grace (it's an outward discipline)
- It's not optional (it's commanded in Scripture)
- It's hard (a discipline)

### MAKING IT REAL

1. Why do you think it is hard to get into the habit of serving people?

---

---

2. How much do you really serve other people?

---

---

3. What are some ways you can server people...even today?

---

---

**Homework**

- Memorize Matthew 20:28
- Brainstorm to come up with a unique service project, that will show God's love to people in your community.
- Look for simple ways to serve others each day.
